📍 Verviers, Liège

🚗 Driving licence : B

EDUCATION

Bachelors's in computer science (2018 - 2022)
HELMo Campus Guillemins, Liège

I'm part of the Salto program which aims to confront students with the different facets of the computer science professions, by working on the realization of professional projects.

High Secondary Education Certificate (2011 - 2018)
Saint-François-Xavier 2 Institute, Verviers

I had Science option, I really liked this option especially the physics
