📍 Verviers, Liège

EDUCATION

Bachelors's in computer science (2018 - today)
HELMo Campus Guillemins, Liège

I'm part of the Salto program which aims to confront students with the different facets of the computer science professions, by working on the realization of **professional** projects.

High Secondary Education Certificate (2011 - 2018)
Saint-François-Xavier 2 Institute, Verviers

I had Science option, I really liked this option especially the physics
